

CAM CONFERENCES

In September and November 2016, Vitae attended the CAM Conferences in the Cavendish Conference Centre – London. The essential CPD accredited **conferences** for Registered Nutritional Therapists and nutrition professionals. The September Conference theme was “Feeding the brain: nutrition for bullet-proof neuroimmunity” with 3 expert speakers: Miguel Toribio Mateas, Chairman of the British Association for Applied Nutrition and Nutritional Therapy (BANT), Dr. Dale Bredesen and Dr. Francisco Molina Holgado. Vitae has invested in research for our product ReConnect together with Dr. Francisco Molina and Miguel Toribio Mateas, in collaboration with The University of Roehampton - London. Our state of the art food supplement ReConnect contributes to reduction of tiredness and fatigue and its efficacy is clinically and biologically proven in CFS patients.

In 2017 we shall be attending the April - Antioxidants, September – Gut Health and November - Aging conferences, looking forward to seeing you there.

Vitae, because health is more than just the absence of illness!
